## **Code of Conduct for Weidmüller Environmental Compliance Guideline for Suppliers (Version 02)**

We herewith confirm that all products, which are currently delivered and those which will be delivered to Weidmüller and its subsidiaries, are in full compliance with the above mentioned guideline irrespective whether the products themselves are in the legal scope, the products do not contain any substances, which are forbidden or restricted according these requirements.

Should the delivered products qualify for any exemption or does the product contain any declarable substance given by the guideline, we will inform Weidmüller about product number, exemption number or declarable substance in writing immediately.

This declaration will be send to the Weidmüller group environmental manager:  
[green-compliance@weidmueller.com](mailto:green-compliance@weidmueller.com).

For further information look at: [Weidmüller environmental compliance guideline](#).

Contain any of the goods delivered to Weidmüller declarable substances or is an exemption applied? (**mandatory**)

Yes, it is possible.

No, this can be excluded.

Additional information (**optional**):

Categories of delivered goods (Guideline Table 1): \_\_\_\_\_

\_\_\_\_\_  
(Place, date)

\_\_\_\_\_  
(Signature / Stamp)

Supplier certifies that it gathered the information it provides in this declaration using appropriate methods to ensure its accuracy and that changes concerning the facts provided in this declaration must be stated to members of the Weidmüller group before the relevant goods will be delivered to one of the Weidmüller group members and understand that companies within the Weidmüller group are authorized to copy information provided in this declaration to their customers. The Supplier shall hold the Company harmless from any third-party claims which may arise due to failure to state the correct facts with respect to the information given in this form.
